

LOOKING FOR YOUR CHARITY PROJECTS

DON'T MISS THIS OPPORTUNITY.

SEND YOUR PROJECT TO **GAS@HP.COM** AND PARTICIPATE IN THE CHARITY DAY 2011 CONTEST!

Since 2002, 15 projects have been funded thanks to the collaboration of all employees and the hp matching scheme. Last year 13 projects from all over the world were presented: from BARCELONA to MADAGASCAR. Despite the fact that all 13 were great and deserved to be chosen, the Gas team selected, as every year, two of them. Thanks to the funds collected during the charity day, the two selected projects are almost a reality:

GREEN GECKO'S PROJECT FOR EX-STREET CHILDREN IN CAMBOYA

WORKING WITH OUR FAMILIES
At Green Gecko, we believe that we need to work holistically with the entire family, not just the children, to achieve long lasting results and to break the begging cycle for good. 2010 was our most successful year yet with so much positive progress being made by our social work team.

OKUME'S MEDICAL CENTER IN CAMERUN

STATUS OF THE PROJECT: Completed in March 2011

The main point of this project, which has been funded through the HP Gas Charity Day 2010, has been the restoration of a building converted into a medical dispensary.
